Subject: Inquiry Regarding Implementation of Guidelines for Revitalizing Gram Sabhas

Dear District Collectors,

I hope this email finds you well. I am writing to you on behalf of the 3S and Our Health Society regarding the implementation of guidelines provided by the Government of India for revitalizing Gram Sabhas. As you are aware, Gram Sabhas plays a crucial role in local governance and community development, and they must be strengthened to effectively oversee the implementation of various development programs.

The Ministry of Panchayati Raj (MoPR) has recently circulated guidelines aimed at revitalizing Gram Sabhas, based on extensive consultations with States/UTs. These guidelines outline several action points to enhance the functioning and participation in Gram Sabha meetings, with the ultimate goal of achieving Sustainable Development Goals.

In light of this, we are keen to learn about the best practices that have been implemented in your respective districts to strengthen Gram Sabhas. Your insights and experiences would greatly contribute to our collective efforts in promoting effective local governance.

Attached to this email is a copy of the guidelines provided by the Government of India for your reference. We kindly request you to review the guidelines and share any innovative practices or successful initiatives that have been undertaken in your district to revitalize Gram Sabhas.

Your valuable input will not only enrich our understanding but also serve as inspiration for other districts striving to improve the functioning of Gram Sabhas. We look forward to hearing from you and exchanging ideas for the betterment of our communities.

Thank you for your attention to this matter. Should you have any questions or require further clarification, please do not hesitate to contact us.

Best regards,

Adv M R Rajendran Nair
Chairman
3S and Our Health Society
